The Metropolitan Environmental TRaining Alliance is accepting applications for the Michael T. Morrow Environmental Scholarship. This scholarship is intended to encourage undergraduate and graduate students who exhibit inherent interest and academic potential in fields related to environmental sciences and inspire them to work on problems of importance in Central Florida in industry and/or academia.

The recipient will receive a $1,000 academic scholarship provided by METRA’s Scholarship Fund. The recipient will be recognized at Environmental Excellence Day in Fall 2017, and the winning essay will be posted on www.metra.org.

Applications Open: August 31, 2016
Application Deadline: November 30, 2016
Recipient Announced: December 14, 2016

Eligibility:
- Enrolled at UCF, USF, UF, FIT, ERAU, Rollins, Stetson, Florida Southern, Eckerd, or Seminole State
- Undergraduate junior or senior or Graduate student pursuing a career in environmental science
- Minimum cumulative GPA of 3.1 for Undergraduates and non-probationary standing for Graduates
